

Dear Parents:

January 27th, 2010

It is time again to make plans for the 2010-2011 school year. We are thankful for your commitment and trust in placing your child(ren) here with us. It is a responsibility we take very seriously. We are proud to provide a safe and caring environment in which to educate your child(ren).

February 1st begins re-enrollment for next year. We are now accepting applications for all grades. As in previous years we ask each of you to enroll early, knowing your intentions help us to plan for the best possible year next year. A commitment at this time will secure your child's class placement. To enroll for September, please fill out the attached form.

Our book fees will remain the same as last year. We are ever so grateful for our fundraisers such as the Race for Education and for our donors and faithful school families, along with the OCS PTF who has generously supplemented our budget this past year. All of those funds go directly into our operational costs to cover what tuition does not. We will continue to offer a family tuition plan which includes a 10% discount for the second student (at their level) and a 5% discount for payment in full by August 1st, 2010.

With the entire country facing great financial needs, let us be aware of the spiritual battle for our children. Our children are our future.

“In Christian Schools, teachers are Bible believing Christians. Creation reigns over evolution, and the Bible is taught in every grade. Prayer is emphasized and modeled, and Bible morals and values are taught. The school campus is safe, and the teachers demonstrate Christ-like love for their students. Christian School suggests two important truths; Jesus Christ is given preeminence in everything the school does, and the school strives to have an outstanding learning program at every grade level. Will Christ be exalted if children attend schools that exalt God and that emphasize the Bible and academic excellence? The answer is clear.” Dr. Charles Walker

We look forward to having your family here at OCS next year.

In God's Grace,
Karen DuJack, Office Manager
