Reminder

This letter is to remind all bus drivers and parent drivers that all students are to be let out of the vehicle, one vehicle at a time, before the crosswalk. **Stopping** before the crosswalk gives the driver a line of sight to see the child either cross to the playground or enter the building depending on the weather. Also, under **NO** circumstance is a car or bus **to pass any** other car or bus. These vehicles are unloading students. If we continue to have vehicles passing, we **WILL** insert a policy of **NO** upper level drop off of cars. Also when the weather is nice during the day, we have students crossing to the gym and/or playground.

Go slow.....

PROCEED SLOWLY AROUND THE BUILDING.....
OBEY THE SPEED LIMIT.

THE SAFETY OF YOUR CHILDREN ARE IMPORTANT TO US.

NO UPPER LEVEL PARKING OR PARKING NEAR THE FRONT DOOR,

IF YOU WISH TO WALK YOUR CHILD TO THEIR ROOM YOU MUST PARK IN THE LOWER LOT.
