

Snow Day Closings & Delays

If there is bad weather, please check TV stations 6, 10, 13 & 23 for school delays & closings for Oakwood Christian School. We no longer go by what Lansingburgh School District does.

Oakwood Christian School **never** delays. We have too many districts that bus to our school, so we have to be available to accept the students if their school does not delay.

If your district is delayed, you can expect your child to be picked up 2 hours from the time they normally would be picked up. So if they get picked up at 7:00am they will get picked up at 9:00am. If you think your child missed the bus or you have a question about the bus you need to call the bus garage of your school district. We do not have that information here at the school.
