

Student Referral Program

Spread the word of the important ministry of OCS by encouraging the recruitment of new students while serving as a way to reward your family with student tuition reduction.

Who is eligible?

Program is open to all tuition-paying OCS families.

Referral Reward will be paid for the family who has not been previously enrolled in OCS.

Prospective student/family must **clearly identify** the referring party in order for the referrer to receive tuition reduction.

This promotion is subject to school and class openings.

This is for students (K4-12) enrolled prior to September 15 and is not applicable to students transferring in mid-year.

Amount of Referral Reward:

\$100 per accepted referral. *(Only applicable to students enrolled Pre-K-12th grade.)*

Nature of the Referral Reward

Total amount of rewarded tuition reduction shall not exceed total cost of tuition.

Referral Reward is on a *per family basis*; for example, if a family has three children to be enrolled in OCS, there would only be a \$100 reward payment per that referral.

Once the student has been accepted and registered, the Referral Reward will be applied to the tuition account after 30 days of the new student's school attendance.

Incoming family **must** identify referrer through the application and interview process.
